A quiet little mountain town is hiding a big problem. When the townsfolk of Raven's Peak start acting crazy, Abigail Dressler is called upon to discover the root of the evil affecting people. She uncovers a demonic threat unlike any she's ever faced and finds herself in a fight just to stay alive. Abigail rescues Haatim Arison from a terrifying fate and discovers that he has a family legacy in the supernatural that he knows nothing about. Now she's forced to protect him, which is easy, but also to trust him if she wants to save the townsfolk of Raven's Peak. Trust, however, is something hard to have for someone who grew up living on the knife's edge of danger. Can they discover the cause of the town's insanity and put a stop to it before it is too late?
