Well I just spent six months restoring a 1974  
Norton 850 Commando that had spent 24 years in a  
shed The bike certainly needed to be born again  
as every single part was in need of redemption

but?as any Commando buff will tell you?the bike?s soul may have been stained with a few original sins at birth. Message for Panic Even if the 32mm works well due to its age 1972 I consider to change it latter this year to morte recent and new VM34 If I compile the data seen on internet it looks like that the VM 34 Single carb settings for a 750 are.
