You could speedily retrieve this Il Colibrì By Sandro Veronesi after acquiring offer.

Marco Carrera è il colibrì. La sua è una vita di continue sospensioni ma anche di coincidenze fatali, di perdite atroci e amori assoluti. Non precipita mai fino in fondo: il suo è un movimento incessante per rimanere fermo, saldo, e quando questo non è possibile, per trovare il punto d'arresto della caduta - perché sopravvivere non significhi vivere di meno. Intorno a lui, Veronesi costruisce un mondo intero, in un tempo liquido che si estende dai primi anni settanta fino a un cupo futuro prossimo, quando all'improvviso splenderà il frutto della resilienza di Marco Carrera: è una bambina, si chiama Miraijin, e sarà l'uomo nuovo.
