Musicians often need jobs after graduating from school or when steady gigs dry up, and these are the reasons I've compiled this drumming ship gig guide. This book provides a window of job opportunity for drummers and demystifies the unknown. A ship gig is the link many drummers need to get to the next big gig, and it's a stepping stone for many musicians to move on to high-profile jobs. Who goes directly to studio, television or Broadway gigs just by practicing and studying from a book? Who should teach drums without real-world playing experience? Who can afford new gear or drum transportation costs on top of student loan repayments? Ship gigs can solidify the foundations to obtain these goals through daily performances in front of 250-3000 people, and by providing an abundance of free time to practice and work on personal projects. Plus, it's a low stress environment - paychecks are guaranteed, meals are provided, and the rent is free. This guide provides important information regarding the ship gig's musical and life experiences, what is expected from a professional show band drummer, and is blocked full of advice for the many different situations in which a professional drummer will find themselves.
